## Chapter 1 by Just keep Laughing

Its 2020. Please Help.

## Chapter 2 by The Art of Suffering

I ran down the street as fast as possible, soldiers chasing me all the way. I jump behind a building and hide, waiting until they pass me before running down the alley and throwing the revolver into the dumpster and hiding it in an old trash bag. I stop to catch my breath and smile thinking to myself, "I just assassinated Donald Trump, the former President of the United State."

## Chapter 3 by TheKillerKitten

I have to admit I sort of liked Donald Trump! A new thing to talk about every day "Trump tried to nuke Canada but missed" "Trump tried to make a law that says that he owns Russia" "Trump tried to assassinate Sanders but missed and hit himself" "Trump tried to assassinate all past presidents but still missed and stabbed himself like 20 times". But still, he was a horrible president political wise.
